

Reference No.	Drawing No.	Rev: 00	Sheet No. 1 of 1
---------------	-------------	---------	------------------

Title: "MMI" Gypsum Scissor Bergmann	Size: 23 cm
--------------------------------------	-------------

Generic Function:	Type:
-------------------	-------

Finish: Satin	Configuration No:
---------------	-------------------

CE/FDA Classification	Risk Analysis No:
-----------------------	-------------------

Process Flow Chart (PFC) No:	Insert Card No.(instruction for use)
------------------------------	--------------------------------------

Standards For Materials

1. ASTM F899	2. ISO 7153-1	3.	4.
--------------	---------------	----	----

Parts Name/No.	Material Type	Hardness		Sample No.	Specification / Drawing No.	Inspection Instructions No.
		Range	Scale			
1	SUS 420J2	49-52	HRC			
2						
3						
4						
5						
6						
7						
8						

Production Stage	Drawing No.	Sample No.	Inspection Instructions No.
